

TIME TO CLEAN UP

Spring is not here as yet but there are signs that it is approaching. This city has been hard hit by storms and back yards indicate that citizens have allowed an accumulation of rubbish that is an eye-sore. The sidewalks even in the business section are in a deplorable condition. It is time to get busy. This city should be the cleanest city in New England. Stop the crime of defacing our trees and poles about the city.

WHY NOT HELP THE CITY?

THE WEATHER

Washington, March 5.—Show in N. H. and Vt. tonight; rain turning to snow in Me.; Saturday generally fair; much colder; strong south wind shifting to northwest.

PRICE TWO CENTS

HOLLAND AGAIN REFUSES KAISER TO THE ALLIES

The Government Has Promised to Guard Him.

(By Associated Press)
The Hague, March 5.—The Dutch government today for the second time refused to deliver former Emperor William to the allies for trial. In a note addressed to Premier Lloyd George, however, the government promised to take all necessary measures to minimize the liberty of Wilhelm and prevent him from endangering the world's peace.

POTE HAS REACHED LONDON

(By Associated Press)
London, March 5.—President Wilson's note in reply to the latest communication of the allied premiers on the Adriatic question reached the American Embassy here today. It will be delivered to Earl Curzon, the foreign secretary, this afternoon. Ambassador Davis probably will hand the note in person to Lord Curzon. The instructions sent with the note from Washington contain no mention of arrangements for its publication.

STATE COUNCIL ACCEPTS LEAGUE OF NATIONS

(By Associated Press)
Bern, Mar. 5.—The State Council of Switzerland today voted in favor of membership of Switzerland in the League of Nations.

URGED TO GIVE \$500 TO ALL ARMY AND NAVY MEN

Sensation Sprung at Congressional Hearing--Charge of Socialism and Soviets

(By Associated Press)
Washington, March 5.—Payment of a lump sum of \$500 to each person who served in the military or naval forces of the United States was urged before the House Ways and Means committee today by Marvin G. Sperry, National President of the Private Soldiers and Sailors Legion. He opposed proposals of representatives of other soldier organizations for adjusted compensation varying from \$30 to \$50 for every month of service and said the services of 4,000,000 young Americans could never be paid by "the skimping miserly additional compensation bills pending before congress." "The \$500 grant," he told the committee would not pay for time at so much a day or month but is a helping hand from the government to aid in restoring former service men and women to positions in civil life from which they were called. Discriminations in regard to periods of service, he added, would only create confusion, delays, favoritism and breed jealousies and bad feelings. The witness declared that the funding of \$100,000,000 annual interest due on foreign obligations proved that the government was not "weak financially and could give financial relief to all former service men." Differences in the organizations of former service men were cited by Mr. Sperry who charged that J. H. Halper, a member of the legislative committee of the Rank and File Veterans Association was a socialist and communist and had tried to turn over the Private Soldiers and Sailors Legion to the communist party of New York. Letters from the Soldiers, Sailors and Marines Protective Association of New York City asking the amendment of all soldier bodies were read by the witness who said this association was ruled and its literature dumped into the streets. "What proof have you that Halper is a socialist?" asked the chairman. "He admitted it to me before witnesses," Sperry replied. Only three signers are needed to obtain incorporation papers, permitting the formation of a soldiers' organization with the privilege of soliciting contributions in every state, Sperry said, in answer to a question as to how Sperry's association had been incorporated. "That is a curious provision," the questioner said.

PHILIPPINE POPULATION OVER 10,000,000

Washington, Mar. 5.—The population of the Philippines is placed at 10,350,510 according to figures filed under the 1918 census and called to the insular bureau here. Of that number 9,429,567 are Christians, 6405 being Americans. There are 45,150 Chinese, 6,684 Japanese and 4,015 Spanish in the islands.

QUESTION TRUTH OF SOVIET GOVERNMENT

(By Associated Press)
London, Mar. 5.—Rumors of a revolution in Portugal with the establishment of a Soviet government there are not credited at the Portuguese legation here. It is pointed out that such reports generally come from the Spanish frontier and are notoriously untrustworthy. Influences in London of former King Manuel know that nothing is further from his desires than to become a figure in Portuguese politics. He is contented with the life of a plain gentleman in London and has no ambition to reestablish a monarchy in Portugal.

FOUR WOMEN GO INSANE AT SEANCE

(By Associated Press)
Martinez, Cal., Mar. 5.—After their arrests as insane subjects, as result of a twenty-four hour seance with ouija boards, four women among whom were a mother and daughter, were committed to the state hospital for the insane by the court today. Three men arrested with the women testified that they tried to induce the women to stop the ouija seances but without effect. The men admitted that the last seance in which they participated lasted 21 hours, and they were no devoted to the boards that they did not take time to eat or sleep.

BLIZZARD DUE TO REACH COAST TONIGHT

(By Associated Press)
Washington, March 5.—The March blizzard which overspread the middle west yesterday with snow and low temperatures will reach the Atlantic coast tonight, the Weather Bureau predicted today. The strength of the blizzard it was said had been dissipated in part and the rain falling along the eastern seaboard today will turn to snow but the fall will be slight. It will be followed by much colder weather.

U. S. SHOE EMPLOYEES 6200 GO ON STRIKE

Walked Out on Signal at 9 A. M. Today

(By Associated Press)
Haverly, Mass., March 5.—A strike of employees of the United Shoe Machinery Company began today. Apparently on a time signal operators left their benches and machines at 9 a. m. and within a few minutes the shops which employ 6200 persons had lost many workers. The union, which seeks to eliminate a system of individual contracts, claims a membership of 1200. The walkout was effected without disturbance. The plant continued in operation and company officials said there was no indication that a suspension of work would be necessary. Observers at the factory gates estimated the number of strikers at 2000 to 2500. The company estimate places the number at 1200 to 1500. Union officials said that from 2000 to 3000 men walked out. A committee from the local branch of the International Association of Machinists had notified the company yesterday that a strike would be declared unless the individual contract system was abandoned. The time set, however, was held secret. The operatives dropped their tools at the appointed time and left the plant quietly. Outside they formed a column and marched through the principal streets without demonstration. At local union headquarters, the strikers registered and then went to their homes.

DOMINION GOV. RECOGNIZES LABOR'S RIGHTS

Rules They Can Organize and Bargain.

(By Associated Press)
Ottawa, Mar. 5.—The right of employees of the Dominion Government to join labor unions was denied in a letter sent today by the cabinet to the Dominion Trades and Labor Congress. There is no incentive from the standpoint of profit to cause the government to impose unfair working conditions or wages the letter said, and a Parliament has made adequate provision for settling grievances. The letter adds that insofar as private industry is concerned the government has already maintained the workers' right to organize and has recognized the wisdom of collective bargaining on more than one occasion.

ABANDONED SIBERIAN EXPEDITION

(By Associated Press)
Honolulu, Mar. 5.—The Japanese government has decided to abandon the Siberian expedition in line with the American policy according to a cable message from Tokyo received today by a Japanese newspaper here. The first detachment of Japanese troops will leave Vladivostok March 20. The Soviet government's peace offer to Japan, according to a cablegram taken recognition of Lenin's de facto government and resumption of full diplomatic relations, promises to end terrorism simultaneously with allied acquiescence with the offer and to recognize Japan's special rights in Siberia.

John Kelley is visiting friends in Lunenburg.

SAMMARCO GUILTY OF MURDER

Slayer of Policeman Clancy
Convicted by Jury of
Second Degree Murder.

(By Associated Press)
Boston, March 4.—Joseph Sammarco was found guilty of murder in the second degree, in the Superior Criminal

court here today of killing Patrolman William G. Clancy, in a dance hall at Charlestown on the morning of Jan. 22, when Clancy was quelling a disturbance. Sammarco had admitted shooting Clancy, but said that he intended to shoot another officer in the leg and somebody hit his arm and the bullet struck Clancy. He will be sentenced next week.

THE PATRIOT'S SPECIAL NUMBER

Editor Gallagher of the Concord Patriot has just issued a special edition of his paper, containing 31 pages and called Town Meeting Number. It was a big undertaking, an expensive one, every way a credit to the paper. It set off the various industries and attractions of New Hampshire in a most efficient way.

TO INVESTIGATE THE PALMER SUGAR PRICES

Democrats Bitterly Oppose
Investigation of Handling
of Sugar Question.

(By Associated Press)
Washington, March 4.—A hot political row broke out in the House this afternoon, when the republicans forced through a resolution ordering the Judiciary committee to investigate the action of Attorney General Palmer in fixing the price of Louisiana sugar. The democrats bitterly opposed the measure claiming that it was but a political trick to discredit the Attorney General as a candidate for president. The republicans claimed that it was the unwarranted action of President Wilson and Attorney General Palmer which has brought on the high price of sugar, and that he had no authority to set the price of sugar. The resolution was introduced by Representative Pinkham of Mass., and passed by a vote of 162 to 124 on strictly party lines.

SNYDER CHARGED WITH LARCENY

Alleged to Have Swindled
Ex-Service Men.

New York, March 4.—William P. Snyder was arraigned today on an indictment charging grand larceny in connection with alleged fraudulent manipulation of the Aerial Transportation Company, in which hundreds of men formerly in the United States Air Service, are said to have been swindled. Snyder, who is 34 years of age, pleaded not guilty and bail was fixed at \$2000.

In a statement today, Snyder characterized as untrue the assertion made yesterday by Asst. District Attorney John T. Dooley that he was formerly Auditor General of Pennsylvania. Snyder claims to have been Assistant U. S. Attorney General in the Garfield administration.

It has been definitely ascertained that Dr. William P. Snyder, formerly Auditor General to Pennsylvania, is ill at his home in Spring City, Penn.

No Waste Motion Here

The packing business is noted for the elimination of waste in manufacturing.

Swift & Company is equally effective in saving waste in the distribution of products.

From ranch or farm to your meat dealer there is no loss of time, money, material, or motion.

Four hundred branch sales houses in large cities and towns, hundreds of regular refrigerator car routes reaching small towns, all directed by wire from a central point, bring meat products from our packing plants located in producing areas, to retailers in all parts of the country in the best possible condition, in the least possible time, at the least possible cost, and over the most direct route.

The total expense, for manufacture, freight, and selling direct to the retailer, is less than three cents per pound on all meat sold.

Our profit from all sources is only a fraction of a cent per pound.

Competition compels this close-cut saving. Large volume of business, a well-balanced, nation-wide organization, and expert attention to details by men who know, make it possible.

We are in your service—at least expense and profit.

Send for our 1920 Year Book and get the facts about our business. Address Swift & Company, Union Stock Yards, Chicago, Illinois.

KITTERY

Kittery, Mar. 5.—A very fine entertainment and bazaar was held at Wentworth hall on Thursday evening under the auspices of Pleasant Chapter, No. 10, Order of the Eastern Star, and the capacity of the large hall was taxed to its utmost to accommodate the number of patrons. The entertainment of the evening was given by Miss Anna Varner Baker of Boston, who gave a most delightful and interesting program of a varied character, and held the closest attention of her audience throughout. The several booths were in charge of the officers of the chapter representing the Star, and were decorated in their colors as follows:

Blue booth, candy, Miss Hazel Warrall, chairman.

Yellow booth, fish pond, Mrs. Margaret Gerry, chairman.

White booth, refreshments, Mrs. Elizabeth Parsons, chairman.

Green booth, aprons and handkerchiefs, Mrs. Lilian Dillings, chairman.

Red booth, cooked food, Mrs. May Andrews, chairman.

The hall was decorated with flags and bunting. Mrs. Mae Watts, worthy matron of the chapter, was in general charge and worked busily to make the affair a big success both financially and socially. The booths were all well patronized and all their wares were sold. It is the custom of this chapter to offer some good attraction to the public each year, and last night's offering proved to be equally as good as any ever given.

Dr. George Cunningham, I. O. O. F., holds a regular meeting this evening. Mr. and Mrs. Everett Swain of No. Kittery have been called to Lynn by the illness of his mother, Mrs. Jane Pierce.

The Riverside Reading club held a special meeting on Tuesday evening at the home of Mrs. Elmer J. Burnham.

The Ladies' Aid Society of the Second Methodist church held a business meeting on Wednesday evening at the home of Mrs. William Pike.

Charles Foss of Tilton, N. H., who is visiting relatives in Portsmouth, passed Wednesday with Mr. and Mrs. Chester Casswell.

This evening at the Second Christian church will be held a meeting in the interest of the Near East Relief, and Mrs. L. H. Taylor of Portsmouth will speak on Armenia. There will be special music. The public is invited to be present and it is hoped there will be a large attendance.

Mrs. C. William Taylor of Portsmouth passed Wednesday in town with relatives.

Mr. Bonney of Friend street remains quite ill.

Word has reached here of the death of his home in Waverly, Mass., of Mrs. Solomon Williams, a former Kittery woman.

Mr. and Mrs. Charles Chapman of Kittery Depot are receiving the congratulations of their friends on the birth of a nine-pound boy, born early Thursday morning.

The Red Cross Public Health Committee of Kittery and Elliot will hold a monthly business meeting on Monday evening next at the home of Elmer J. Burnham.

The York County Trust Co. will remain open every day, Mar. 5, until 5 p. m., for the accommodation of navy yard employees.

Mrs. Clarence S. Chick, who has been restricted to the house, the past week with an attack of the grippe, is improving.

Miss Anna Varner Baker was entertained at the home of Mrs. George Seaward of Wentworth street during her brief stay in town.

Mrs. Asher Damon is restricted to her home by illness.

WOOD TO MACHINE SAW. Also sawed and delivered, Wolf Eldredge, Phone 1117-W. 80 Elliot St. 1117-1120

NEWINGTON

Newington, March 5.—Mrs. Judith Rand, who has been passing several weeks with her sister in Massachusetts, has returned home very much improved in health.

Miss Raymond Lefavour of Winchester, Mass., spent the holiday week end with relatives in town.

Mr. Philip Barnes of New York passed Wednesday's birthday with his parents, Mr. and Mrs. Henry Barnes.

Mr. Sidney Frink and daughter of Melrose have been recent visitors in town.

Mr. and Mrs. Sims Frink of Derry passed the holiday with the former's parents, Mr. and Mrs. Cyrus Frink.

The teachers were ready for work on Monday after a week's recess, but owing to the blocked condition of the roads it was decided not to reopen the schools until March 8th.

Traveling about the Bay Road and other side roads was impossible for a few days after the storm. Nearly all the roads are now open but unless one is obliged to venture out, will not do so, until the snow has settled and got worn down.

Mr. Fred Dunham, who has resided here for a few years, was taken ill very suddenly early Saturday morning and later he was taken to the hospital to undergo an operation, and on Sunday afternoon he passed away. Mr. Dunham was liked and highly respected by all who knew him well, and will be much missed by those with whom he mingled. The body was taken on Wednesday to his former home in Vermont for interment.

Miss Eliza Daley, who has been passing a few days with Mrs. Frank Tuck, has now returned to her home in Malden, Mass.

Miss Corinne Nutter, a teacher in Lynn, Mass., who spent her vacation with relatives in town, has now returned to her school duties.

Master John Rowe, who passed his vacation with the Misses Abbie and May Frink, has now returned to his home in Haverhill.

Mr. Eldridge Knox of the navy is now at Panama. His description of the Panama Canal is very interesting.

Robert Brown of the naval ship Huntington, who has been stationed for months in Portsmouth, was sent on a short trip to New York, but he has now returned.

The Pleasant Grange held its regular meeting at the Town hall on Tuesday evening. Five candidates were initiated in the third and fourth degrees. After which, a dainty box lunch was served and a social hour was enjoyed by all present.

The second meeting of the sewing class was held in the Town hall on Wednesday afternoon. Miss Helen McLaughlin of Exeter and Miss Williams, lately from the West but now from New Hampshire college, demonstrated dress forms and instructed those who were present how to make them. The meeting, which was well attended, was very instructive, interesting and enjoyed socially, for a delicious lunch of fish chowder, etc., was served at the noon hour.

Mrs. Forbes and daughter Ann are a Lowell, Mass.

There are several cases of chicken pox in town among the children, while both old and young are afflicted with these hard grippe colts which are prevalent everywhere.

The work of repairing the Dover Point bridge which was suspended on account of the cold storms, has been resumed and we hope the travelling part will be open to the public before long.

The Chemical Dye Stuff Co.'s force of men are very energetic and brave or they work through fatigue cold and storms, for when the horses can lunge through the snow they are on their job hauling gravel from the pit to the yard.

TRAINS FROM EAST AN HOUR LATE

The Yankee here from Portland at 7.30 on Thursday evening did not arrive until nine o'clock. The delay was caused by the Maine Central connection, as all trains from the northern part of Maine are much delayed.

KITTERY POINT

Kittery Point, March 5.—Mr. and Mrs. Everett Swain have returned from Lynn, Mass., where they were called by the serious illness of the former's mother Mrs. James Pierce.

Miss Anna Barber of Portsmouth was the guest of Mrs. Emma Pierce at Parkfield hotel last evening.

Mrs. H. E. Bountree of Kittery was a visitor in town on Thursday.

Mrs. W. T. Coffin entertained the Ladies' Aid of the First Christian church at an all day session on Thursday.

Albert Gunnison has been confined to his home with a severe cold for several days.

Mrs. Charles Collins and daughter Margaret, spent Thursday with friends in Kittery.

Oliver L. Frisbee of Portsmouth, was a visitor in town yesterday.

Mrs. Emma Adams of Crockett's Neck road was a visitor in the village on Thursday calling on friends.

Elroy S. Moulton of Hater road is restricted to his home by illness.

GEN. GALE LEFT ESTATE TO WIFE AND DAUGHTER

Exeter, March 5.—The will of Gen. Stephen H. Gale, long prominent in business and official circles of Haverhill and Exeter, was proved at a special Probate Court held here yesterday. The will, executed Jan. 17, 1896, gives \$10,000 to his only child, Alice E., now Mrs. Arthur L. Hobson of Haverhill, and all residue to his wife, Mrs. Anna M. Gale, who died Dec. 11, 1917. Mrs. Hobson qualified as administratrix.

CHIROPRACTIC

(Spinal Adjustment)

"Harmony means Health; Disharmony means Disease."

Perfectly harmonious action of all parts of the body depends upon a co-ordinated and unified action of the entire nervous system. A break in this union brings disorder. Repair of the lines of communication restores health. If the nerves that connect the brain and spinal cord with the organs of the body cannot transmit messages, the organs they supply will suffer. Pressure upon these nerves by displaced vertebrae may be very slight and yet interrupt the flow of messages along them, without injuring the nerve itself. By spinal adjustment the vertebrae is replaced in its proper position and the pressure removed from the nerve. At once the impulses (messages) again flow along the nerves to the parts for which they are intended, and proper function of these parts results. It is through this simple little factor in mechanics, and viewing the body as a piece of machinery, which it in reality is, that spinal adjustment achieves its results.

SHANTUNG RESERVATION READOPTED

Bi-Partisan Agreement Ac-
cepted and the Reservation
of League Adopted.

(By Associated Press)

Washington, March 4.—The Shantung reservation to the Peace Treaty, as agreed upon at the bi-partisan conference, was re-adopted by the Senate today by a vote of 48 to 21, as compared with the vote of 53 to 41 when the reservation was first adopted last November. Today ten democrats voted with the republicans as compared to five before.

Over the opposition of the republican leaders the Senate voted 37 to 23 to substitute a reservation drawn by Senator Walsh of Montana for the one adopted by the bi-partisan conference regarding the choice of the American representatives in the league of Nations. Mild reservationists among the republicans voted with the democrats. Afterwards the Senate adopted the Walsh reservation by a vote of 55 to 14.

FEDERAL TAX NOW A BIG BURDEN

(By Associated Press)

Washington, March 4.—An immediate reduction of the federal taxes by one billion dollars, is urged by former Secretary of the Treasury McAdoo, who maintains that the burden is so great that it is seriously interfering with business. He recommends that the sinking fund for the retirement of the war debt, as recommended by former Secretary Glass, be given up for two years and that the interest on the European debt be funded until such time as Europe is able to pay.

HOLLAND WILL GUARD THE EX-KAISER

(By Associated Press)

The Hague, March 4.—The draft of a Holland answer to that of the Allies in regard to the ex-Kaiser is completed. It is learned that Holland while reiterating her intention of not surrendering the Kaiser, expresses a willingness to guard him and to safeguard the peace of the world.

OBJECT TO RADICAL CLASSIFICATION

(By Associated Press)

Chicago, March 4.—The American Farm Bureau association in their closing session here today, denounced the attempt to class the bureau with the radicals of the country.

ROPER TO BE OUT ON APRIL 1

(By Associated Press)

Washington, March 4.—Daniel C. Roper will retire on April 1st as collector of Internal Revenue. He called his staff together today and informed them that his resignation would be accepted on that date, but it will give him time to get the income tax well collected before he leaves.

SHIPS CREW IN IRONS

(By Associated Press)

Norfolk, Va., March 4.—The U. S. Shipping Board's Steamship Poughkeepsie, with 34 men of the crew in

irons and guarded by sailors from a destroyer, arrived in Hampton Roads this afternoon and tonight the prisoners were brought to Norfolk by Department of Justice Agents for a hearing before the U. S. Commissioner.

TO TALK TO CHILDREN ON SAVING

Schuyler F. Heron, Educational Director of the Savings Division, First Federal Reserve District, former Superintendent of schools in Winchester, Mass., and who went overseas with the U. S. F. and was on the Cronus, torpedoed in the Irish Sea, will be in Portsmouth Friday to address meetings of teachers and pupils of the public schools now being arranged for by Superintendent Clayton.

Miss Marguerite W. Stoddard, field secretary for northern New England for the Savings Division, has been in conference with the Superintendent and made the preliminary arrangements for Mr. Heron's visit.

WAGE DEMANDS TO BE TAKEN UP NEXT WEEK

(By Associated Press)

Washington, March 4.—Wage demands of the two million railroad employees, will be taken up next week, when the Brotherhood will confer with the railroad executives. The day of the meeting, in charge of Director General Hines has not been set, but it will probably be on Tuesday or Wednesday.

HAMILTONS FLY TO EUROPE

New York, March 5.—Still unchanged from his family and supposed to be penniless, Laurens Morgan Hamilton, aged 20, grandson of the late J. P. Morgan and a descendant of Alexander Hamilton, has evaded the watch set upon him by his parents and has slipped out of the country with his 31-year-old bride, formerly known here and abroad as Mrs. Gertrude Warrent.

Although every effort has been made by friends of the pair to keep their sailing a secret, it was learned yesterday that late at night they secretly went on board the French liner Lafayette 20 hours before she sailed and were passengers when she left at Havre last Friday. Young Hamilton, according to his family, hasn't sent of his own, so his bride intends to support him in Paris, temporarily, at least.

After their marriage in Portsmouth, N. H., late January, the couple went to Boston for a few days, Hamilton owing eternal devotion to his wife and defiance to his family, which had strenuously opposed the match. Then he gave up his place on Maj. Gen. Edwards' staff and they came to New York, stopping at the Hotel Vendur.

Shortly afterward they went on a honeymoon to Canada, Inegault, but detectives employed by the youth's family followed them. They returned to New York highly indignant, mentioned about their departure, the French Line refused all information. While Romeo and Juliet are on the high seas the Hamilton family—Mr. and Mrs. William Pierson Hamilton, 32 East 36th street, and their relatives, including the J. P. Morgans, who were shocked when the couple verded their wishes and eloped, are unable over the real identity of the rite.

The Hamiltons have cut off their own, have sworn not to take him back until he gives up his wife, and are continuing their efforts to persuade him to "come to his senses," as they express it to friends.

MISS ROYCE OF DEDHAM TO WED R. M. BAKER, JR.

Dedham, March 4.—Announcement was made today by Mr. and Mrs. Fredrick P. Royce of Pine Knoll, Dedham, of the engagement of their daughter, Miss Mary Royce, to Roland M. Baker, Jr., son of Mr. and Mrs. Roland M. Baker of 70 Chestnut street, Boston, and Woodlawn Farm, North Hampton, N. H.

Miss Royce is a member of the 4918-29 Saving Circle and the Vincent club. During the war she was on duty at the Brooks hospital as a nurse. Miss Royce's father is a partner in the firm of Stone & Webster.

Mr. Baker graduated from Harvard in 1915 and served as second lieutenant in the 101st Field Artillery. In the summer of 1916 he was with the First Massachusetts Field Artillery on the Mexican border. He is manager of the hides department of Charles F. Smith & Co. Mr. Baker is a member of the Owl club, the Hasty Pudding club and the Harvard club of Boston and New York.

FRANCE NOT TO LET UP ON GERMANY

(By Associated Press)

Paris, March 4.—The French government will make a determined opposition to any attempt to revise the treaty of Versailles, which will in the least modify her claims on Germany. This was learned today and that the attitude of the government is in sympathy with the new Chamber of Deputies and any change would result in the overthrow of the present government.

MESSENGERS STILL ROBBING WALL STREET

(By Associated Press)

New York, March 4.—Two new robbers in the financial district by bogus messengers were reported today. They got \$10,000 in bonds and securities. This makes a total of \$200,000 in thefts reported in the last few days.

FIND BODIES OF DEAD INFANTS

Boston, Feb. 4.—The police of the South End are making every effort to solve the mystery surrounding the finding of the malle bodies of an in-

Receiver P. D. & Y. St. Ry.

ST. PAUL TURNS BACK FOR REPAIRS

Small boy and girl at Fort Point chanced early last night. There was nothing by which the children could be identified. They were apparently only a few hours old, and as far as the police could tell, there were no marks of violence on the bodies.

They were seen floating in the water between the Summer street and Dorchester avenue bridges by Patrolman Harry Wasse of the D Street station, South Boston. The patrolman was notified and in charge of Sergeant Dunn picked up the bodies. They were removed to the Northern mortuary for examination by the medical examiner.

New York, March 3.—The American line steamer St. Paul which left here on February 28 with passenger and cargo for Southampton, developed a boiler trouble when about 800 miles east of this port and will put into Halifax, according to a wireless dispatch from the ship today.

Advance Styles Spring Walk-Over

Men who dress well will be pleased with the new Walk-Over. The Vandyke is one of the newest young men's lasts; long, narrow effect, recede toe, harvest brown color; comes also in black calfskin.

The Ormond, slightly wider, is a smart business man's last. In harvest brown and black calf.

There's a Walk-Over for every foot.

Portsmouth, N. H., Friday, March 5, 1920.

A Peculiar Discrimination Advocated.

President Frederick D. Underwood of the Erie Railroad, in a recent statement concerning the return of the railroads to private control, predicted that one of the first benefits to be noticed by the public will be more efficient service. It was a very safe prediction to make. It can hardly fail to be correct.

But Mr. Underwood has some notions about rates which will strike many people as peculiar. It is well understood that with the costs of operation where they are the roads must have more money to make ends meet. The government has demonstrated that. And it is in this connection that Mr. Underwood introduces his views with reference to rates.

He thinks passenger rates should be reduced to two cents a mile and that the real "sinews of war" should be drawn by the roads from the freight business. His argument is that passenger fares are a direct tax upon the people, though why it is any more a direct tax than freight rates the average man will find it difficult to comprehend. He says few people would ever feel the difference between high and low freight rates, but that when one is "compelled to pay \$5 or \$6 more than he formerly did for a trip back to his old home he thinks he is being robbed."

Mr. Underwood is an experienced railroad man and should be better able to judge in a matter of this kind than the ordinary individual, to whom, however, his reasoning will sound strange.

It costs much more to operate the railroads than it ever did before, and the patrons of the roads must foot the bills from this time on. While they were in the hands of the government everybody had a chance to "ship in," whether they patronized the roads or not, for the deficits, which were ponderous, came straight home to the tax payers. That is one reason, and a very substantial reason, why the people wanted the government to get out of the railroad business, and why they are so glad that it has.

But why passenger traffic should be made cheap at the expense of the freight service is not easy for the uninitiated to understand. Under present conditions no railroad can profitably carry passengers for two cents a mile, and it seems as if it would be hardly fair to shippers to compel them to make up the deficit which would inevitably result from the passenger end of the business if fares were placed at that low level. It would seem fairer and more just in every way to have passengers as well as shippers pay their fair share of the increased costs of operation. That would place the costs on the shoulders of those who receive the service, where it belongs, with no discrimination between the two branches.

It may be presumptuous on the part of the inexperienced to question the views of a man in the position of President Underwood; nevertheless it is safe to assume that the stand he takes will be seriously questioned, not only by the inexperienced, but by at least some men who are not strangers to the ins and outs of the railroad business.

The island of Islesboro, Me., has voted by an overwhelming majority to keep out the automobile. The question came up at the recent town meeting and was settled with a bang. It is a small island and the residents want the privilege of crossing the roads without taking their lives in their hands.

Certain states are still fussing with the liquor business as if they really had something to say about it. The New Jersey Senate has passed a bill permitting the manufacture and sale of 3½ per cent beer, and there is a bill before the New York Legislature granting the sale of liquors containing not more than 6 per cent of alcohol. If this sort of legislation is in order what becomes of national prohibition?

Now that the "Big Five" packers have been put out of all kinds of business but their own, let us watch and see how "competition" brings down the cost of living.

Most people will not relish the Peace Treaty as a campaign issue, but at the present time there are indications that they may have to take it.

By a vote of four to three the Steel Trust has been acquitted by the Supreme Court and given "absolution from all existing charges."

A great deal is said about the budget system as a means of reducing public expenditures, but the people of Boston are convinced that a budget alone does not constitute salvation from the high cost of government since learning that Mayor Peters' "budget" calls for more than \$30,000,000 for the coming year.

President Rea of the Pennsylvania railroad is right when he says that one of the benefits accruing from turning the roads back to their owners is "the removal of the railroad situation from a political discussion that increased unrest and uncertainty." The change is welcomed by a great majority of the people.

HAVE OPENED ELECTRIC LINE TO SOUTH BERWICK JUNCTION

General Manager Meloon and his crew of workmen on the P. D. & Y. Kennards Corner. The men worked all day, and have bored a hole through the ice and snow to South Berwick Junction. It is pushing along towards Dover and will use every effort to reestablish service to Dover at once. Regular service is now maintained to Dover.

EXCULPATION IS GIVEN BY BOARD

Investigators Put Their O. K. on Conditions at Naval Prison at Portsmouth.

Washington, March 5.—Complete exculpation of the officers of the Portsmouth prison is given by the board appointed to investigate conditions there, in a report to Secretary Daniels which has just been made public. The board consisted of Franklin D. Roosevelt, assistant secretary of the navy, Rear Admiral H. O. Dunn, commander of the first naval district; and Rear Admiral H. S. Halstead, commander of the Portsmouth navy yard. The board visited the prison at Portsmouth in January and February to investigate charges that conditions in the prison were bad and that the prisoners were not accorded proper treatment. The following is taken from the report:

"A. The board found the sanitary and physical conditions to be very good.

"B. The board found the general situation in regard to the guarding of prisoners and their well-being to be satisfactory. The former question of dual control in this respect has been adjusted satisfactorily by the executive action of the commandant. The results of the guarding of prisoners by prisoners on the prison side of the deadline is proven to be justified by the results obtained, only eight prisoners out of a total of over 6,000 having succeeded in making good their escape over a period of more than two years.

"C. In regard to rumors and reports bearing on general conditions in the naval prison, the board is of the opinion that these were based almost wholly on hearsay evidence and unreliable witnesses; that no facts were developed to indicate conditions of lax discipline or immorality existing in the naval prison, or that the prisoners in any way constitute a menace to the safety of the navy yard or property in the communities of Kittery, Portsmouth or surrounding territory.

"D. Under the present organization, the naval prison is under the command of a commanding officer, who, in turn, is under the jurisdiction of the commandant of the Portsmouth navy yard, and in certain matters, under the further jurisdiction of the commandant of the first naval district at Boston. The board recommends that in order to end red tape and to give the navy department a closer degree of immediate responsibility than at present, the naval prison be placed directly under the jurisdiction of a bureau or division of the navy department in all matters relating to internal management, excluding only matters relating to the local military and industrial points of contact between the prison and the yard.

"E. In regard to the question of dividing the prisoners into different groups for the purpose of discipline, the board calls attention to the fact that a division into three classes of prisoners already exists; but in view of the magnitude of the whole problem of disciplinary action, the board will submit a supplementary report at a later date in regard to this phase of the question."

NAVY YARD NOTES

Close Up the Brig.

The brig at the Charlestown yard is to be abolished and the prisoners there sent to the receiving ship at Hingham.

Looking for Jobs

Many applications have reached the Charlestown yard supply office for positions in the yard retail store which will shortly open to the public.

Two of Them Arrived

Two of the lot of tank cars assigned to the yard for oil storage have arrived via the Boston and Maine.

Tender Sails

The lighthouse tender Hibbins sailed for Portland this forenoon.

Going to Alaska

Engle boat No. 57, one of the first to arrive here from the Ford plant, has been ordered placed in commission to proceed to the Pacific coast, and later to Alaska. No commander has yet been assigned. The ship will sail about April 1.

Baseball Gossip

Although a little early to talk baseball among the enlisted men and the yard civilian force, it is likely the yard will have this same representation in the Sunset League, the coming summer.

The crew of the receiving ship Southern is far from what it was a

WANTED

To purchase second-hand Cash Register

J. P. SUGRUE, Kittery, Me.

year ago, still, the commanding officer is going to try and pick out a team from the ship.

The civilian force think the yard should continue to have a team for 1920 and an effort will be made to produce one. It is certain that there will be no such material as the 1919 team contained. (However, time will tell and there may be two nine fast enough to make it hot for the other team of the league.

Must do it Right

The department has advised commanding officers of ships and stations against allowing navy divers to go down without complete divers' rig. This order follows the loss of life recently owing to a diver taking chances on working below the surface with only part of the regulation outfit.

JUDGE SAWYER SETS ASIDE \$1500 VERDICT

The jury returned yesterday a verdict for \$1500 in the case of James Cornell against the Boston & Maine railroad. Judge Sawyer who heard the case, later set the verdict aside. The plaintiff claimed he was injured while getting off an electric car in Portsmouth in September 1912, claiming he had fractured his hip.

WEST END K. C. WINS 21ST STRAIGHT GAME

Gloucester, March 4.—By defeating the Gloucester Town team here tonight, 53 to 30, the undefeated West End Council K. C. basketball team secured its 21st consecutive win of the season.

Castello Dolan and Silva, of the Portsmouth Professionals played with the West Ends. Silva tossed eight buckets, Castello 4 and Dolan 2.

FOGG'S ORCHESTRA

Several local people who have heard Fogg's Orchestra of Brockton say the music is wonderful. It will be at Freeman's hall next Tuesday evening. Concert at 8. Dancing 8.30.

U. S. CONSULATE DAMAGE 10,000 FRANCS

(By Associated Press.)
Berne, Mar. 5.—It is estimated that the damage done the United States Consulate at Zurich by explosion last night will amount to 10,000 francs but the place is still habitable and the Consul General and his family have remained there and reopened the office. The President of the Zurich government visited the Consul General today and expressed the regrets of the authorities over the incident.

PLANNED BIG GET TOGETHER MEETING

The executive committee of the Parent-Teachers Association of the Haven school held a meeting Wednesday evening in the probate court room of the Rockingham county court house on State street, the president of the association, Fred E. Drew, presiding. Plans were made for a get-together meeting of the Association on Monday evening, March 15 at the Universalist vestry. It is hoped every member of the Association who can will be present at this gathering as a business of importance will come up, a social time will be enjoyed and refreshments served.

The Association has now passed the 500 membership mark and is still growing. A number of former members of the Haven school who reside out of town have joined the Association and it is hoped that it will in time not only be a benefit to the school but to that part of the city and help build up a fine community spirit.

You will admire the genuine newness and charm of our new models for spring-meeting as they do, the particular demands of accredited fashion. Black is the prevailing type. We are showing a military heel oxford and two French heel oxfords, one in kid and the other in calf, also a French heel pump with a handsome buckle.

F.C. Remick & Co.

11 CONGRESS ST.

at the South End of the city. It is hoped yet that the old run house on the school grounds may be turned over to the school for a community building, for although the roof recently fell in and it would need extensive improvements and remodeling the Parent-Teachers Association feels sure this could be done and the building be made to admirably suit this purpose.

From the recent entertainment this Association gave at a High School Assembly hall \$122 was netted.

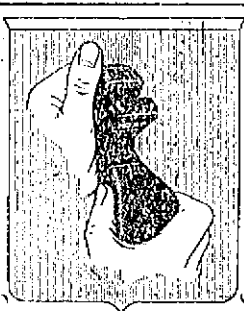

Candidate for delegate to Chicago convention, Charles W. Varney of Rochester was here yesterday calling on friends. He was given a cordial greeting on all sides.

FOYE'S

JACK CANNELL AND LOUDEN TO ASSIST COACH DARTMOUTH

Hanover, March 4.—Jack Cannell, captain of the successful 1919 green eleven, and Red Loudon, a member of the 1919 and 1920 varsity teams, have been named by the Dartmouth Athletic Council as assistants to Coach "Pat" Spears next fall. Cannell will devote all his time during the season to the squad while Loudon will spend as much time in Hanover as his business connections permit.

The addition of these two men to

the Dartmouth coaching staff indicates that Spears will give more attention than usual to the development of a sturdy line. Loudon is essentially an end coach and Cannell is at home in the backfield. In signing these two men the Green is following out its long-established policy of graduate coaching.

Send your name, number of your house and street to The Herald if the census taker has not called on you.

ATLANTIC HEIGHTS

A service of much interest will be held at the Atlantic Heights school house on Sunday, when following the regular morning service conducted by Rev. William Woodhull, a patriotic service will be held and an American silk flag presented to the Atlantic Heights Sunday school by the Silver Relief Corps, this being the first presentation when a new Sunday school is started. The Star of Post No. 1, G. A. R., and its auxiliary and other allied veteran organizations have been invited to be present and each will be represented. Joseph S. Donahue, patriotic instructor of Star of Post, will be one of the speakers. If the weather is stormy the patriotic service will be postponed to a later date.

Rev. William Woodhull will leave for Philadelphia on Monday and will present plans and tell of his work at Atlantic Heights to the board there. It is hoped and expected that favorable action will be taken concerning the community church at Atlantic Heights and that he will return and a dormitory be purchased and remodeled for the community church. Rev. Mr. Woodhull will be away over Sunday, March 14 and the church will be supplied with someone on that date.

A special business meeting was held last evening by the church building committee at the schoolhouse.

A special business meeting of the officers and teachers of the Atlantic Heights Sunday school will be held at the close of the Sunday school at noon. The Sunday school has now an average of from 55 to 100 at each session, while a year ago the average attendance was about 40.

DOVER

Dover, March 5.—The first step in the organization of the chamber of commerce was held Wednesday night at Kimball house and for more than two hours the representative citizens of Dover talked over the idea as outlined by the American City Bureau organization which is to organize the chamber of commerce. There were 41 in attendance and every industry and every retail trade was represented.

President Rockwell of the Dover board of trade introduced Mr. Hewitt, who told of the manner of organizing the chamber of commerce. The first step was the appointing of a nominating committee consisting of M. J. White, Harold W. Brown, A. H. Winn, Harry Barnham and M. J. Desot and named as the executive committee, Fred N. Beckwith, A. D. Patton, John F. Munroe, Stacy Hanson, Diana R. Brown, W. B. Fraser, Harry P. Henderson, E. H. Shattuck, Ann Kades, Owen Cogges, H. L. Farnham, Bert L. Head, C. D. Brantley, John Mathies and George J. Foster. The purpose of the proposed chamber of commerce is to make Dover a larger city and to increase the number of industries in Dover. The executive committee will organize and make plans for the enlistment of all the merchants and industries of the new chamber of commerce.

Mrs. David Hall Rice, a former resident of Dover, died in Brookline, Mass., Wednesday, aged 72 years. She leaves one son, Leoline Hall Rice, instructor in mathematics in Massachusetts Institute of Technology, and one sister, Miss Caroline Harwood Garbnd, librarian of the Dover public library.

The third rank was conferred on a class of candidates by the members of Olive Branch lodge, Knights of Pythias, and a large number of the brothers were present to attend the conferring of the rank.

City Clerk Fred E. Quimby is restricted to his home with an attack of pneumonia. His many friends hope for his quick recovery. Mr. Quimby was to have spoken before the civic department of the Dover Women's club.

ST. JOHN'S CHURCH

An able lecture on the theme of sickness was given at St. John's church Wednesday evening, to an appreciative audience by Rev. Kenneth Vial of Boston. This was the second in a series of Lenten lectures on objections to Christianity and their answers, and two more will be delivered on coming Wednesday evenings.

The text was Isaiah 38:10, "Though the Lord gave you the bread of adversity, and water of affliction."

"Many people, even among Christians, have no deeper conception of pain, sickness and suffering other than the fact that they hurt. One class of people shrink the task of thinking out his problem as they do other things, and accept only inevitable results. They think of God as unjustly afflicting everyone, and with blind faith consider the mystery as inscrutable and hopeless. Another and larger class of people are entirely materialistic in their views. They claim that God has nothing whatever to do with our ills, but that every pain is the result of the bringing of natural laws. But there are some cases of insanity and other diseases which science has not been able to trace to these causes. Some of these logical thinkers arrive at the conclusion that there is no God, so say that God is the author of arbitrary pains seems absurd to them."

facts are always good. If we say the permits pain we deny that life is all powerful.

"We must recognize that our material bodies are not ourselves, but that the invisible ego or soul is our real being. The great underlying philosophical truth is that material things are given to us in order to make us understand spiritual things which are unseen. We are so constituted that we must experience a certain amount of pain and suffering to accomplish our physical growth. The same is necessary to our spiritual life and growth. Sickness is not sent to us for burdens or punishments, but as an opportunity for spiritual development and a better understanding of the Christian life."

Father Vial wishes to hear from those who have ideas on the subjects he discusses, or those who disagree with him. All communications addressed to him or to the pastor of St. John's church on these matters will be carefully considered.

NORWAY HAS JOINED L. OF N.

(By Associated Press)
Christiania, Mar. 5.—Norway's parliamentary body today voted 100 to 20 in favor of the adherence of Norway to the League of Nations.

PERSONALS

Judge E. L. Gupthill is in Manchester today.

Chester T. Cornish of Concord and Boston is here today.

Ensign Jones, U. S. N., has been ordered to the Virginia.

Attorney John L. Mitchell was a visitor in Concord Wednesday.

County Commissioner William Underhill passed today in this city.

Lieut. Reed, U. S. N., of the Griddle, has been transferred to the Dale.

Major Murchie of Concord was a Portsmouth visitor on Thursday.

Mrs. C. M. Dale has returned from a visit to her mother in Brookline.

Chester Badger has purchased the Shaws branch at Atlantic Heights.

C. H. Clough of State street who has been ill with pneumonia, is much improved.

from Fred A. Shaw, and he will conduct the store on the same line as a grocery and market.

Winifred L. Canwell of the court guard office, who has been seriously ill at his home in Manchester, is now able to sit up a short time daily.

Mrs. Anna Kimball of Rochester, department president of the Women's Relief Corps, Mrs. Lucy Wentworth, department treasurer and Mrs. Martha Hutchings of York, department conductor were in this city on Tuesday on business relating to the department convention to be held in Concord in April.

Deputy Marshall G. H. Duckler who has been at the hospital for five weeks, as the result of an explosion and fire at the station, is so much improved that he will be able to leave the hospital this week. He is now able to walk and while it will be two or more weeks before he can return to duty he is showing his improvement.

Rev. William P. Stanley of Gloucester, Mass., formerly of this city, conducted prayers over the remains of Deacon Frank J. Pillsbury at Mr. Pillsbury's late home in Concord Wednesday afternoon. The public funeral of Deacon Pillsbury was held at the First Baptist chapel in Concord and conducted by Rev. Walter C. Myers. Mr. Pillsbury was baptized in the church 53 years ago and had been deacon for thirty years and clerk of the society for 27 years.

U. S. WILL BE CONSULTED ON TURKEY

(By Associated Press)
Washington, March 5.—The United States of the opinion of officials here will be consulted as to the terms of the virtually completed Turkish treaty before the document is handed to representatives of the Constantinople government for signature. The United States while refusing to take any part in the drafting of the Turkish treaty is considered by the Allied governments to possess a special interest in the solution of the Turkish problem as a potential member of the League of Nations.

BLIZZARD HAS HIT MICHIGAN

(By Associated Press)
Detroit, Mar. 5.—Michigan was in the grip of the March blizzard today. Heavy snow fall, high winds and near zero temperatures were reported from various parts of the state. Heavy snowfall that paralyzed practically all traffic was also reported from Lake Michigan shore cities. Rail traffic was virtually shut up in the eastern part of the upper peninsula. Reports from South St. Marie were that Canadian Pacific and Soo line trains were running in pairs or more behind schedule, while the south shore trains had been cancelled.

POLICE COURT

Judge Gupthill heard a bastardy case on Thursday afternoon in which the plaintiff was a Manchester girl. The respondent was a resident of this city by the name of Phillips, whose arrest was brought about by the New Hampshire Child Welfare League, and a representative of that organization appeared in court. Attorney Harry W. Dwyer also appeared in behalf of the girl who formerly worked at Hampton Beach. Phillips denied the charges and claimed he had never seen the girl before and did not even know her. On the testimony submitted the court held Phillips for the superior court and placed the bail at \$300 which he secured and was released.

COUNCIL GO OVER ANNUAL BUDGET

Mayor Hislop and the members of the Council after spending four hours on the annual appropriation bill Thursday evening, found that they would be unable to pass the bill as it stood and Mayor Hislop called off the meeting until Monday evening. The Mayor and finance committee have been working on the annual budget for some weeks, but it was the first time the full board had considered it and this required time. The conference was held in the Mayor's office and finally it was all finished with the exception of

the School appropriation. Here there was a difference between the Finance Committee of the School Board figures and the Auditor, and the matter was finally left over until Monday. In the meanwhile the finance committee of the two Boards will check up today.

The Council have agreed to give the necessary appropriation for the increase in the teachers salaries, as they agreed with the Teachers Association. The budget will necessarily be much greater than last year, owing to the increase in salaries of all city employees and all cost of supplies and equipment. The debt charges will be practically the same as last year, or one-eighth of the entire appropriation, as compared with the Boston and other large cities proportion of one-fifth.

All of the members of the Council were present last evening and the meeting Monday evening for the passage of the bill is expected to be short, as they have been all over every item.

FEAR SHORTAGE OF NAVY FUEL

Officers Alarmed by Failure of Shipping Board to Get Oil Bids.

Washington, March 4.—Failure of the shipping board to secure bids for even a small proportion of the oil fuel needed for its ships during the year beginning April 1, brought the suggestion tonight that President Wilson might be urged to invoke his war powers to meet the situation. Restoration of full federal control over the oil industry might be necessary it was said.

Shipping board officials said its fuel situation was serious. On proposals for 24,000,000 barrels, they received today bids on 1,500,000 at prices ranging from 75 to 80 per cent higher than last year. Existing contracts will expire within the next three weeks and at no point has the board a reserve supply for more than a few days. Chairman Payne is expected to make a special report to President Wilson.

"Market conditions," was the explanation given by practically every important oil producer for failure to submit full offers. Several companies declared their production for the year was already covered by contracts, up one case with shipping firms operating federal owned bottoms.

Oil men present at the shipping board's headquarters however, declared the situation would be definitely traced to unsettled conditions in the Tampico oil fields, the principal source of supply. Recent Mexican decrees restricting oil operations, have forced the companies to exercise extreme caution in contracting for future delivery, the oil men said.

The result of today's bids at the shipping board added anxiety at the

HAD CHRONIC BRONCHITIS FOR TWENTY-SIX YEARS NOW WELL AND HAPPY

THIS IS WORTH READING

The experience of Mr. E. J. Poulakis, 1439 Rose street, LaCrosse, Wisconsin, is chiefly remarkable on account of the length of time he was afflicted.

He writes: "I have been suffering with chronic bronchitis for twenty-six years and every winter I would catch cold and become so hoarse I could not speak for six or eight weeks. I could get only temporary relief."

"This winter I was taken with Grip and was in awful shape. A fellow workman advised me to take PE-RU-NA. By the time I had used three-fourths of a bottle, the hoarseness was gone, also that tired feeling. I am on my second bottle. Hereafter PE-RU-NA will be constantly in my house. It is the best medicine ever put up for the purpose."

For any disease due to catarrh or catarrhal conditions, PE-RU-NA is equally dependable. Coughs, colds, catarrh of the head, stomach, trouble, constipation, rheumatism, pains in the back, side and loins, blotting, blotching, gas, indigestion, catarrh of the large and small intestine, are some of the troubles for which PE-RU-NA is especially recommended.

PE-RU-NA can be purchased anywhere in either tablet or liquid form.

navy department, which will seek bids on fuel oil for the fighting ships on March 16. Secretary Daniels said he would reconvene the conference with war, commerce and interior departments and the shipping board officials to discuss ways and means of solving the problem.

BEGIN TRIAL OF BERGDOLL

Court - Martial of Rich Youth Is On.

New York, March 4.—Counsel for Grover Cleveland Bergdall, wealthy young Philadelphian, charged with desertion from the army in evading the draft law, tomorrow will try to have him declared a "civilian and not a soldier," and ordered out of the jurisdiction of the military authorities. It was announced today after the opening of the court martial on Governor's island.

Bergdall will appear before Federal Judge Hand on a writ of habeas corpus and petition for the right to civil trial. Harry Weinberger, his counsel, will assert that he should be tried before a civil court in Pennsylvania, he told the court martial board.

Weinberger said further, he would try to show Judge Hand that there never was a violation of the draft law in Bergdall's case and that the action of local board for Division 32 in Philadelphia, prevented Bergdall from answering the draft call by "keeping" him and rendering him unanswerable, physically and mentally for his acts.

Weinberger said Bergdall's case was one of a rich man claiming the same rights as those given to the poor and unknown and that his case was important as a precedent for the 17,000 others throughout the country in exactly his position. Weinberger declared he would carry the case to the U. S. supreme court if necessary, to secure a civil trial. The court martial then was adjourned until Saturday morning pending outcome of Bergdall's petition in federal court.

BOWLING

KITTERY FIRE DEPARTMENT

Two teams from the Kittery Fire Department rolled at the Avenue alleys on Thursday evening and the Nozzles beat the Steamers. The score:

WHAT IT COST TO RUN STATE FOR MONTH OF FEB.

The total receipts for the state of Maine for the month of February were \$106,241.72 while the expenditures amounted to \$151,540.95, according to the regular monthly statement of Hon. Roy L. Wardwell of Augusta, the state auditor, which was filed with Governor McKen on Thursday.

On the first day of this month the state had a bank balance of \$1,482,238.18, while the cash in the state treasurer's office amounted to \$26,574.04.

SOUTH ELIOT

On Sunday evening, March 7th, Judge E. H. Adams of Portsmouth will speak at the South Eliot Methodist church. Before the address a concert will be given from 7.30 to 8 o'clock. All are welcome.

CELLARS GET BENEFIT OF THE THAW

The mild weather of Thursday caused a big slump in the snow, and the thaw also caused many wet cellars. In some parts of the city the sidewalks were under water and the cellars flooded. It was but a sample of what will follow a warm day.

The electric roads were bothered more or less by water, which in some places was a foot deep over the rails.

M'CURTY LOSES TO GODDARD IN ENGLAND

London, March 4.—Middle McCarty, the American light-heavyweight, was defeated by Frank Goddard of England a heavyweight in the thirteenth round at the Highbury stadium tonight.

OBSEQUIES

Mr. Horace B. Parker

SURPRISED ON ANNIVERSARY OF MARRIAGE

Mr. and Mrs. W. D. Blanks of 57 Satter street were surprised by a party of friends on Wednesday evening who visited their home on the occasion of their wedding anniversary. The party gathered at the residence of Mr. and Mrs. H. H. Goodman on Carey street. Upon reaching their destination they were cordially received by Mr. and Mrs. Blanks and the evening was filled with delightful sociability, games and music giving zest to the occasion.

A bountiful collation was served and everything was done by the host and hostess to have the evening as enjoyable one to their guests. They were the recipients of many choice and useful anniversary gifts, among them being a handsome leather traveling bag. At a late hour all left for their homes after wishing Mr. and Mrs. Blanks many more such pleasant anniversaries in future years.

WHEREABOUTS OF DR. MORSE IS A MYSTERY

Wife Says He Left Parkersburg for Home Two Weeks Ago.

The disappearance of Dr. C. A. Morse from Newmarket, and the declining of the position of postmaster vacant, is a complete surprise to the people of that town. More mystery was added to the case on Thursday when a letter was received from his wife at Parkersburg, W. Va., in which she stated he left there for home two weeks ago.

Mrs. Morse, who is his third wife, and their child have been in the south since last fall.

Little can be learned about the situation at the postoffice as far as his accounts are concerned, regardless of the fact that the position of postmaster has been declared vacant. Dr. Morse has held the postmastership for five years.

For years he was one of the most active Democrats in this section of the state and gave much of his time to politics. He was always on the stump for his party and no campaign was complete without his oratory.

He has held many town offices, served in the legislature and has been a candidate for Congress in the First District.

He made a light for collector of Internal Revenue for the district of Maine, New Hampshire and Vermont.

Previous to his appointment as postmaster he had a good medical practice which he practically gave up when he took the government position. Many of his close friends in the town where he has been located for over 20 years believe he will yet return.

SURPRISE PARTY FOR MRS. HALL

A very agreeable surprise occurred at the home of Mrs. Yetta Tanker, 86 Wellington street, in honor of Mrs. Hall.

Mr. John T. Sullivan, in behalf of her friends, presented Mrs. Hall a beautiful cedar chest.

On suggestion Mrs. Hall opened the chest and found within a beautiful birthday cake. After Mrs. Hall recovered from her surprise, the evening was pleasantly spent in whist, dancing and music. About twenty-five were present.

About 10:30 refreshments were served, consisting of ice cream, cake and candy. At midnight the party broke up, all wishing Mrs. Hall many more happy birthdays.
